# Welcome

**TO FLORIDA ATLANTIC UNIVERSITY HOUSING AND RESIDENTIAL EDUCATION. HERE ARE SOME QUICK FACTS TO HELP YOU GET TO KNOW YOUR NEW HOME FOR SPRING 2024.**

The Department of Housing and Residential Education at Florida Atlantic University would like to thank you for choosing to live on campus and we look forward to having you join us this semester! If you will no longer be enrolled in classes please cancel your housing by visiting [fau.edu/housing/cancellation](http://fau.edu/housing/cancellation). You can review the cancellation section of your contract to see if you meet the requirements to cancel and to review the cancellation fees.

**SAFETY IS OUR PRIORITY - All residence halls and apartment communities are secured 24/7 by trained staff.**

**FURNISHINGS - All bedrooms are furnished with a bed, dresser, desk and desk chair per student. RH1 and RH2 include a sofa, chair and coffee table in the living area.**

**FREE LAUNDRY FACILITIES - Self-service high efficiency laundry facilities are free of charge and available in each residential area! Just make sure to bring a laundry bag/basket and high efficiency detergent.**

**FREE INTERNET - FAU provides free wireless/wired internet access to all students once registered via [talon.fau.edu/netreg/](http://talon.fau.edu/netreg/)**

**FREE CABLE TV VIA STREAMING - All bedrooms have ethernet ports, and all students can stream our cable provider.**

# BEFORE YOU MOVE IN

## PREPARING FOR MOVE-IN DAY

Pack only the essentials. You can always bring extra belongings later in the semester. Moderate-size boxes or storage bins with hand holds are easy to pack in a car and convenient to carry up flights of stairs if needed as elevators may be difficult to come by. Carts will also be available but on a first-come, first serve basis so it is suggested to bring your own cart or dolly. Please note, there is no space for storage of boxes, suitcases, or trunks. If you plan to have any of your items mailed or sent via parcel post, please make arrangements for an arrival date after your initial move-in day.

## HOUSING PAYMENTS

Housing fees must be paid by the University payment deadline for each semester. Payments may be made online at [myfau.fau.edu](https://myfau.fau.edu). If you are not deferred by Financial Aid you must pay your student account in full or be enrolled in a payment plan by January 18. For payment deadlines and payment plan information, please visit: [fau.edu/controller/student-services/payment-plans/](https://fau.edu/controller/student-services/payment-plans/)

## INSURANCE

FAU does not provide insurance for you or your property. You are encouraged to check your family homeowners' policies or to carry your own insurance.

## CONTACTING YOUR ROOMMATE(S) VIA EMAIL

We encourage you to contact your new roommate and suitemates. Contact information is available through the housing portal at [housingportal.fau.edu](https://housingportal.fau.edu) click on the Spring 2024 contract to view occupant information. Two main things you want to do in this initial conversation are to introduce yourself and to provide some information about your likes and dislikes. This is also a great time to discuss and coordinate what items you will be bringing to campus. Some topics to get you started: Favorite music, food, movies or TV shows, your planned major or classes that you'll be taking at FAU, what each of you will bring; TV, computer, printer, fridge, microwave, etc. and ways to stay in touch.

# LIVING ON CAMPUS

Here is a few important things to know about living on campus.

## HEALTH AND SAFETY

All members of the FAU Housing community—residents, staff and visitors are expected to act in a manner that demonstrates consideration for the health and safety of the community. HRE staff will conduct health and safety checks in each room, suite, and apartment at least once per semester, including the summer terms.

## ROOMMATE AGREEMENT/RCR

Early in the semester, all roommates/suitemates will meet with their roommate and develop a Roommate Agreement. Your RA may help guide the conversation around communication and potential areas of conflict in your suite or apartment. When you move in, a Room Condition Report (RCR) will be given to you for review. Please review this report and let your RA know of any concerns you see in the room that are not already listed on the report. This report will also be reviewed at move out as well.

## CLEANING

Residents will be responsible for obtaining cleaning supplies to maintain a clean-living environment within their assigned space. HRE will clean all residential spaces prior to student move-in and provide regular cleaning and sanitizing of public areas such as lobbies, hallways and elevator areas. Florida has a climate conducive to mold and mildew, and it is necessary to provide proper ventilation and dehumidification of rooms to prevent the growth of mold and mildew. Resident agrees to be responsible for properly ventilating and dehumidifying the room and suite/apartment and contents to prevent mold and mildew. More on the prevention of mold can be found in the [Community Guide](#).

## HOW TO PREPARE FOR MOVE-IN

- Log onto your [housing portal](#) and submit your move-in form.
- Select your appointment, you will receive a confirmation email.
- Verify your housing assignment on the [housing portal](#) before you arrive on campus.
- Review our packing list and make sure to have ID before you leave home!
- Review driving and parking directions at [fau.edu/housing/movein/](http://fau.edu/housing/movein/)

**Don't have your Owl Card yet?** You can order your Owl Card online before you move in on the [Owl Card Center's website](#). You can select to have your Owl Card delivered to the Jupiter Campus and pick it up from the University's mailroom.

## DAY OF MOVE-IN

- Arrive on campus and go to your assigned community's designated unloading zones.
- Proceed directly to move-in check-in to receive your keys. A friend or family member may NOT check out a key for a resident.
- Students may bring guests to assist with move-in.
  - No pets are permitted. Only certified service animals are allowed.
- Students have the option to bring their own dolly or hand-truck as move-in bins will be limited.
- Parking permits are not required during move-in. Do not park on sidewalks, on the grass or in ADA spaces.
- Don't forget to complete your Room Condition Report in your housing portal once you are in your room.

## AFTER MOVE-IN

- Once settled in, head down to the front desk to find information about Wi-Fi, roommate agreements, community guides, events and more. Also remember to save the front desk number in your phone.
- Meet your Resident Assistant (RA)! Your RA is an upper-class student living in your area trained to work with other residents to establish a sense of community for all on-campus students. Your RA is a great resource who can help answer questions regarding the University and surrounding communities. They can assist with roommate communication, maintenance concerns and other issues of interest. Throughout the year, RAs will plan various programs and activities with, and for, the residents. Also, an RA is on duty each night and during weekends.

# GETTING INVOLVED

## MAC RESIDENT STUDENT ASSOCIATION (MAC RSA)

MAC RSA is here to make your transition into your new living arrangements enjoyable and unforgettable. MAC RSA advocates for students of the residence halls and every year RSA puts on various programs for residents. They also take all comments, questions, and concerns to the Housing department for them to be addressed.

## STUDENT EMPLOYMENT OPPORTUNITIES

Housing and Residential Education has some great opportunities to be involved in the Department! Once you are settled in, you can check out getting involved with different student employment opportunities such as Desk Assistants and Resident Assistants. To find out more information about these opportunities just visit us at: [fau.edu/housing/employment/](http://fau.edu/housing/employment/)

## NATIONAL RESIDENCE HALL HONORARY (NRHH)

NRHH is a premiere honorary organization dedicated to recognizing the top 1% of leaders living in the residence halls. NRHH acknowledges those leaders who always go above and beyond the call of duty making their collegiate experience living in the residence hall more than living in a "dorm". NRHH was founded on the four pillars, in which each member strives to achieve through excellence in scholastics, role models of service, bestowals of recognition, and exercises of leadership. If you are interested in being part of NRHH or would like more information just visit: [fau.edu/housing/nrhh/](http://fau.edu/housing/nrhh/)

Follow us on social media to stay connected to all FAU Housing and Residential Education updates.

Now that you are all set to move in, once you are settled in don't forget to check out FAU Housing and Residential Education's Community Guide. The Community Guide is a great resource to learn about Housing regulations, procedures, staff positions, acronyms and more. You can find the Community Guide at [fau.edu/housing/communityguide/](http://fau.edu/housing/communityguide/)

# THINGS TO KNOW DURING THE SEMESTER

## IMPORTANT DATES

February 5 - 7 Housing renewals for Fall 2024 - Spring 2025 for current spring residents. Priority is given to students who have to complete their two-year on-campus living requirement for Wilkes Honors College.

May 2 Last day to move out for the Spring 2024 semester.

## STORAGE SQUAD

FAU Housing has a partnership with [Storage Squad](#) who will pick up, store and re-deliver your items that you don't need until next term.

How it works is, you make a reservation with Storage Squad, pick up your boxes and packing tape from one of our pick-up locations on campus. After you pack your belongings, leave them to be stored in your room when you leave (but ensure the room is otherwise empty and cleaned). Storage Squad picks up the belongings and stores everything in their secure storage facility. After that Storage Squad delivers your belongings to your new room before you return to campus.

In addition to making the move-out process easier, part of the proceeds from this program come back to FAU and are used to support the programs and activities we sponsor for students living in the residence halls through our [National Residence Hall Honorary](#).

Moving off campus completely? Storage Squad will pick up and ship prepackaged items anywhere in the continental US via UPS ground. Items for shipping are picked up on the same schedule as storage pickups. You can either select to have your items shipped right away or have them shipped at a later date of your choice.
