

Student Affairs Technology Policy

Title	Web Site Management	Approved Version	1.0
Reference		Next Review Date	June 2016
Owner	Vice President Division of Student Affairs	Date of Publication	September 2015

Policy
<p>All Student Affairs web pages will be created and maintained by designated teams or individuals, using approved tools, processes, and in accordance with Florida Atlantic University standards and industry best practices. Exceptions may be granted with the approval of the appropriate management team(s).</p> <p>This policy is not intended to nor will supersede in part or whole any policy of the Office of Information Technology or Office of University Communications.</p>

Purpose and Description
<p>This is to insure the delivery of consistent content and navigation to all users of the Student Affairs web pages. All pages will be designed to present information and navigational choices in language and use structure that align with the perception of these services by the students of Florida Atlantic University.</p> <p>The Web Site Management policy is intended to establish a standard for Web page, look, feel, and flow, delivered to users not limit options or flexibility.</p>
